

Khlong Lat Mayom Floating Market

Khlong Lat Mayom is one of the three floating markets located close to Bangkok, no more than twenty kilometres from town and accessible by taxi. Into the market is where you can buy cheap clothing, house decoration, accessories, toys and the unavoidable flowers and plants, two items always popular at riverside markets. If you have kids, take them for a pony ride at the ranch just down the road; definitely a great memory for them and a great photo for you.
